- **Amazon Clone :** https://clone-react-ce3d8.web.app/

WORK EXPERIENCE

System Integrator Intern   September 2020 – till date.
   (Patheon Technology)
Role:
- Responsible for creating website from scratch to production level.
- Creating architecture an interface between software and hardware architecture.
- Design and implementation of electronic designs for embedded systems.
- Development and maintenance of data integration components such as SQL queries, stored procedures, data extraction and integration with system frontend components.
- Gathering and evaluation of user requirements in collaboration with product managers and co software engineers.

Wordpress Web Developer   Jun 2020 – September 2020
   (63WebStudio)
Role:
- Meeting with clients to discuss website design and function.
- Designing and building the website front-end.
- Creating the website architecture.
- Designing and managing the website back-end including database and server integration.
- Generating WordPress themes and plugins.
- Troubleshooting content issues.
- Conducting WordPress training with the client.

Embedded Systems Engineer   Feb 2017 –Nov 2018
(Maitronix Technologies)
Role:
- Design and implement Electronic hardware for real-time embedded devices
- Testing, debugging and troubleshooting of embedded systems
- Training budding developer on how to create and maintain embedded systems

EDUCATION

B.Sc. Physics with Electronics   2013 – 2018
Olabisi Onabanjo University Ago Iwoye, Ogun State.

West African Senior Secondary School Certificate Examination   2009 – 2012
Marigold College Oworonsoki, Bariga, Lagos.

CERTIFICATIONS

- National Youth Service Corps   Jun 2019
- Python 3 Programming, Online Tutorial (Solo learn).   Apr 2019
- Energy Transition online course; innovation through a low carbon future (Institute of Petroleum School, France)   May 2019
- C++ Programming, Online Tutorial (Solo learn).   Feb 2019
- Software Engineering (Torillo Academy)   Jan - March 2020

LEADERSHIP POSITIONS HELD

- Olabisi Onabanjo University – Team Leader, Electoral Organizing Committee, Department of Physics.
- NYSC – Presiding Officer, Gubernatorial and Presidential Elections Nigeria.

REFEREES

Available upon request.
